SASKATCHEWAN GENERAL SERVICE CONFERENCE COMMITTEE

Area 91 Area Spring Assembly

October 16 & 17, 2020

Virtual Zoom Conference

Good Day Area 91!

With Summer winding down and Fall is just around the corner, it is time to be planning for the Area 91 2020 Fall Assembly.

What a year that 2020 has been for Area 91, where we had to transition from a world of in-person fellowship, to everyone meeting behind a screen in a 'virtual' room. This has certainly been a challenging adjustment for our great Area 91, and as always, we persevere and walk through the new world that is in front of us.

As we move forward in what we are all experiencing as an unprecedented time, we will be gathering via Zoom Conference for the 2020 Fall Election Assembly. Learning from our Spring Assembly in March 2020, we found that we need to be more open to our members with access to participate. In August, our Area Committee (Table Officers, District Committee Members (DCMs), Alt DCMS, and Committee Chairs) met to discuss just that, how can we bring more involvement to a virtual event. It was decided at this meeting that we will be hosting a hybrid assembly, where districts will have the choice to meet in one location and attend the Zoom meeting together. During the election on Saturday, we will be providing paper ballots for our districts to be collected, counted, and submitted to our central location for tabulation. At the same time, we will still have the opportunity for those who can meet from home – stay at home and participate in the comfort of their home.

DCMs will be meeting with their respective groups in the next coming weeks to decide how your district would like to meet.

The planning committee is looking for volunteers to help make our event a success. DCMs will be looking for a Moderator and Ballot Counter, if you are interested in one of these positions to help you can contact your local DCM to volunteer. For our overall planning committee, we are calling for many volunteers to be moderators, counters, and support. We do ask all volunteers – either local district or for our central location – to have access to a laptop or computer (no Apple devices) and access to the Internet. To volunteer or submit names please contact Char L. at secretary@asask.org.
